# Introduction

The ***Automated Resource Sharing Networks Report, FY2006*** displays data submitted by nine automated resource sharing networks serving libraries in Massachusetts.

With this report we present data about the automated resource sharing networks in one consistent format. Please note that some of the data reflects activity during fiscal year 2006 (July 1, 2005—June 30, 2006) while other data is reported as a snapshot as of June 30, 2006. Snapshot data may well have changed by the time you read this report.

Going forward we will assess the usefulness of the data presented here and consider adding or deleting data elements based on feedback from the networks, the Board, and the library community.

We welcome your comments.
