Year 5 Waiver: FY 2026 Municipal Budget Waiver Financial Planning Report

Name of Municipality completing this financial planning report: _____

What was the library budget appropriation the last year the library met the Municipal Appropriation Requirement (MAR)? In what fiscal year did the library budget last meet the MAR?

What efforts were made in developing the FY 2026 library budget to meet the Municipal Appropriation Requirement (MAR)? What was the rationale behind the proposed library budget figure for FY 2026?
Please explain.

Was progress was made from the prior year's budget toward meeting the MAR? Was the budget level funded, increased but not sufficiently to meet the MAR, or reduced further?

If the library budget increased, did the budget increase reflect similar increases across departments? Please explain.

If library budget decreased, did the budget decrease reflect similar decreases across departments? Please explain. (If the budget received additional cuts, the municipality WILL need to present its waiver petition in person at the January Board Meeting.) Is the decrease to the library budget a disproportionate reduction? (See Waiver Worksheet calculations.)

Name of Municipality completing this financial planning report: _____

Is there a possibility that the library will receive additional funding in the fiscal year? If so, what is the anticipated increase to the appropriation? [Estimated date of increase]

Is there a possibility that the library will receive an additional funding cut in the fiscal year? If so, what is the anticipated decrease to the appropriation? [Estimated date of reduction]
